**SUMMARY**

This staff report is about a matter that Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

To obtain approval to install an Accessible On-Street Parking Space adjacent to 158 Deloraine Avenue.

The installation of the Accessible On-Street Parking Space will address the needs of the resident of 158 Deloraine Avenue, while only reducing the available on-street parking by one space.

**RECOMMENDATIONS**

Transportation Services, North York District recommends that North York Community Council:

1. Approve the installation of one Accessible On-Street Parking Space on the north side of Deloraine Avenue, from a point 43 metres east of Greer Road and a point 5.5 metres further east.

**Financial Impact**

All costs associated with the installation of an Accessible On-Street Parking Space are included within the Transportation Services Division's 2012 Operating Budget.
ISSUE BACKGROUND

Transportation Services, North York District received a request from a resident of 158 Deloraine Avenue to investigate the feasibility of installing an Accessible On-Street Parking Space on the north side of Deloraine Avenue adjacent to their residence.

COMMENTS

Deloraine Avenue between Greer Road and Jedburgh Road is designated as a local roadway and has municipal sidewalks on both sides of the road. The pavement width of the roadway is 8.0 metres.

Currently, Permit Parking operates from 12:01 a.m. to 7:00 a.m., from the 16th day of each month to the last day of each month, from April 1 to November 30 on Deloraine Avenue between Greer Road and Jedburgh Road.

Traffic Planning, Right-of-Way Management has indicated that 72 on-street permit parking spaces are available on Deloraine Avenue and only 42 parking permits have been issued to residents.

The applicant is a holder of a valid "Disabled Persons Parking Permit" issued by the Ministry of Transportation of Ontario.

An off-street parking space does not exist at this above-noted address.

The requested location of the designated parking space will be on the north side of Deloraine Avenue in front of 158 Deloraine Avenue. The creation of this designated Accessible parking space will not result in the deprivation of more than one on-street parking space.
As such, this Division has no objections to the installation of an Accessible On-Street Parking Space in front of 158 Deloraine Avenue.

The Ward Councillor has been advised of the recommendation contained within this staff report.
