**Financial Impact**

All costs associated with the amendments to the parking and stopping regulations on Rumsey Road and Sutherland Drive are included within the Transportation Services Division’s 2012 Operating Budget.

**ISSUE BACKGROUND**

Transportation Services, North York District, was requested by the Toronto District School Board to review the feasibility of amending the existing parking and stopping regulations and relocation of the school bus loading zone on Sutherland Drive and Rumsey Road adjacent to Northlea Elementary and Middle School in order to facilitate improvements for pedestrian and motorist and driveway access.

Amendments to the existing parking and stopping regulations on Rumsey Road and Sutherland Drive will accommodate motorist and pedestrian safety in the vicinity of the school.

**COMMENTS**

Rumsey Road and Sutherland Drive are classified as local roads with a posted speed limit of 40 km/h. Municipal sidewalks are located on both sides of the roadways.
The Toronto District School Board has a proposal to improve the parking lot on Sutherland Drive. The improvements will include modifications to the driveway access and a relocation of the existing school bus loading zone from Rumsey Road to the west side of Sutherland Drive, north of Divadale Drive.

Staff observations have concluded that prohibiting stopping between the hours of 8:00 a.m. and 6:00 p.m., Monday to Friday, on the west side of Rumsey Road and east side of Sutherland Drive opposite the school is to encourage pick up and drop off activities on the same side as the school. It is also to improve motorist and pedestrian safety around the school.

In view of the above, this Division supports the amendments to the stopping and parking regulations on Rumsey Road and Sutherland Drive between Broadway Avenue and Donlea Drive.

The Ward Councillor supports the recommendations contained within this staff report.
