Date: September 7, 2012

To: North York Community Council

Subject: Installation of No Parking Signs on Montana Avenue

SUMMARY:

This motion is about a matter for which Community Council has delegated authority from City Council to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

It is to obtain approval to amend the existing parking regulations on the east side of Montana Avenue in order to prohibit parking at anytime from the north limit of 5 Montana Avenue to the south limit of 11 Montana Avenue.

Currently, parking is prohibited at anytime on the west side and three hour parking is permitted on the east side of Montana Avenue.

It has been brought to my attention that parking on both sides of this section of roadway restricts two-way traffic and impedes access and egress to the residential driveways. Transportation Services Division staff has installed emergency no parking signs as an interim measure, however permanent signage is required.

It should be noted that all costs associated with the amendments to the parking/stopping regulations are included within the Transportation Services Division’s 2012 Operating Budget.

RECOMMENDATIONS:

That North York Community Council:

1. Approve the implementation of no parking at anytime prohibitions on the east side of Montana Avenue from a point 40 metres south of Wilson Avenue to a point 34 metres south.

Thank you for your consideration of this matter.

Sincerely,

Councillor Maria Augimeri
Ward 9 – York Centre
