To obtain approval to prohibit stopping at anytime on the west side of Barberry Place between Kenaston Gardens and Rean Drive.

RECOMMENDATIONS

Transportation Services, North York District recommends that North York Community Council:

1. Approve the removal of the no parking at anytime prohibition on the west side of Barberry Place from the south limit of Kenaston Gardens to the south limit of Rean Drive;

2. Approve the removal of the no parking between the hours of 8:00 a.m. and 6:00 p.m., Monday to Friday, prohibition on the south and east sides of Rean Drive from the westerly limit of Barberry Place to a point 153 metres south of the southerly limit of Sheppard Avenue East;

4. Approve the prohibition of stopping at anytime on the south side of Rean Drive from Barberry Place to a point 15 metres east; and

5. Approve the prohibition of parking between the hours of 8:00 a.m. and 6:00 p.m., Monday to Friday, on the south and east sides of Rean Drive from a point 15 metres east of Barberry place to a point 153 metres south of Sheppard Avenue East.

**Financial Impact**

All costs associated with the installation of the stopping restrictions on Barberry Place and Rean Drive are included within the Transportation Services Division’s 2012 Operating Budget.

**ISSUE BACKGROUND**

Transportation Services, North York District, was requested by residents to replace the existing no parking at anytime restrictions on the west side of Barberry Place, between Kenaston Gardens and Rean Drive, with no stopping at anytime restrictions. Residents have indicated that vehicles are still parked in the no parking at anytime area and restrict the view of motorists exiting the condominium driveway located on the outside corner of the intersection of Barberry Place and Rean Drive.

**COMMENTS**

At its meeting of November 27, 2007, North York Community Council approved the prohibition of parking at anytime on the west side of Barberry Place between Kenaston Gardens and Rean Drive in order to improve sight lines for motorists exiting the condominium driveway.

This Division has verified the residents’ concerns that vehicles parked at this location would obstruct the view of motorists exiting the condominium driveway. In this regard, this Division would support the replacement of the no parking at anytime restriction with no stopping at anytime restriction on the west side of Barberry Place between Kenaston Gardens and Rean Drive and also on the south side of Rean Drive from Barberry Place to a point 15 metres east.

The installation of stopping prohibitions at this location would not affect the availability of on street parking.

The Ward Councillor has been advised of the recommendations of this staff report.
