Re: 80 Lorraine Drive
A519/12NY

I am writing in support of Mr. Francesco Loiero, of 78 Lorraine Drive located directly east of 80 Lorraine Drive. Mr. Loiero is objecting to the variance for a reduced east side yard.

Given that the lot in question is 60 feet in width, there would appear to be no hardship on the applicant to comply with the by-law and provide a side yard in keeping with that of the neighbor to the east.

Thank you for your consideration of this matter.

Sincerely,

Councillor John Filion
