Members of the Parks and Environment Committee,

I am writing in regards to item PE10.1 Amendments to Toronto Municipal Code Chapter 608 Parks to be presented at the Parks and Environment Committee meeting of Friday, January 27th 2012.

I would like to express my support for Item 5 of Appendix A Section 608-7:608-7.1 "No person shall cause or permit the discharge of water or waste water from a sewage, any roof drainage system, hot tub, swimming pool or pond into or onto a park." This discharging of water, particularly from swimming pools, has arisen from properties adjacent to ravines in Ward 13 and has caused damage and erosion to the parkland.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Sarah Doucette".

Sarah Doucette
Councillor Ward 13
