**Re: Recommended Changes to the Draft City-Wide Zoning By-law Resulting
from Public Consultation with respect to 192A-200 Bloor Street West
Planning and Growth Management Committee Meeting: October 12, 2012**

We are the solicitors for Exhibit Private Residences Inc., the owner of 192A-200 Bloor Street West. We have been assured by staff that our client's entire property would not be subject to the proposed draft by-law. Based on our review of the Draft City-Wide Zoning By-law it is not, at this time.

We will continue to monitor the Draft By-law to ensure the above-noted properties remain excluded.

Kindly continue to provide notice of any further consideration of this matter.

Yours truly,

AIRD & BERLIS LLP
