Dear Chair Milczyn and Committee Members:

**900 York Mills Road – 5 Year Official Plan, and
Municipal Comprehensive Reviews: Requests to Convert Employment Lands**

On behalf of our client, Westmont Hospitality Group, by letter dated July 28, 2011, we requested a re-designation of the subject lands to Mixed Use Areas. The preliminary draft policy direction for consultation recommends that these lands be retained for employment uses, and be designated as *Core Employment Areas*.

Our client does not support this recommendation, and asks that this office be notified when future information regarding either the recommendations or future public meeting dates become available.

Yours truly,
AIRD & BERLIS LLP
