SECRETARIAT SECTION

Good Morning,

Over two years ago, I had asked staff look into harmonizing the bicycle fee infractions. Staff had promised to get back on this matter, however, to date, I do not recall having seen any report in this regard.

I ask you to please follow up as penalties vary significantly from those levied in the City of Toronto to the former Cities of North York, Etobicoke and Scarborough.

Standardization and update is required.

Yours truly,

Mike Del Grande
