SUMMARY

This application proposes to amend the City's zoning by-law to permit a 4-storey building that will contain offices, retail stores, a 29-bed respite/transitional care use and recreational uses at 300 Silver Star Boulevard.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

The application should proceed through the normal planning process including the scheduling of a community consultation meeting. A final report and public meeting are targeted for the winter of 2013 provided all the required information is provided by the applicant in a timely manner and issues raised during the review are satisfactorily addressed.

RECOMMENDATIONS

The City Planning Division recommends that:

1. Staff be directed to schedule a community consultation meeting for...
the lands at 300 Silver Star Boulevard together with the Ward Councillor.

2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site.

3. Notice for the public meeting under the Planning Act be given according to the regulations under the Planning Act.

Financial Impact
The recommendations in this report have no financial impact.

Pre-Application Consultation
A pre-application consultation meeting was held with the applicant on February 27, 2012 to discuss complete application submission requirements. Staff identified issues related to the respite/transitional care component of the proposal and concluded that an amendment to the zoning by-law will be required.

DECISION HISTORY
There are no previous planning decisions on the lands subject to this application

ISSUE BACKGROUND

Proposal
This application proposes to amend the City's zoning by-law in order to permit a 4-storey building that will contain offices, retail stores, a 29-bed respite/transitional care component and recreational uses at 300 Silver Star Boulevard.

Specifically, the applicant proposes to develop the subject lands with a 5,319 square metre (57,256 square feet), 4-storey multi service centre consisting of the following uses: administrative/medical/social service office, recreational, vocational training, complementary retail stores and a temporary stay respite care/transitional care element for a maximum of 29 persons occupying 13 shared rooms.

Parking will be provided at-grade located to the south and west of the proposed new building. A total of 148 vehicular parking spaces will be provided of which approximately 5 will be barrier free.

Vehicular access to the site will be from Silver Star Boulevard via a driveway which runs in an east-west direction to the south of the proposed new building. See Attachment 1: Site Plan.

Site and Surrounding Area
The site is located on the west side of Silver Star Boulevard, south of McNicoll Avenue. The site is approximately 0.92 hectares (2.28 acres) in area, having approximately 58.5 metres (192 feet) frontage on Silver Star Boulevard and an average depth of 156 metres
The site is vacant, generally flat and treeless. There is a safety berm along the western property line adjacent to the Canadian National Railway line. This safety berm continues to the property immediately to the north. Abutting uses include:

North: Grand Baccus Banquet Hall and Conference – zoned Mixed Employment (ME)
South: Hydro right-of-way beyond which lands are zoned Industrial (M), General Industrial (MG), Special Industrial (MS);
East: Japanese Gospel Church of Canada zoned Mixed Employment (ME); and,
West: CNR rail corridor with Metrolinx service, beyond which lands are vacant and zoned Industrial (M), General Industrial (MG), Special Industrial (MS).

**Provincial Policy Statement and Provincial Plans**

The Provincial Policy Statement (PPS) provides policy direction on matters of provincial interest related to land use planning and development. The PPS sets the policy foundation for regulating the development and use of land. The key objectives include: building strong communities; wise use and management of resources; and, protecting public health and safety. City Council’s planning decisions are required to be consistent with the PPS.

The Growth Plan for the Greater Golden Horseshoe provides a framework for managing growth in the Greater Golden Horseshoe including: directions for where and how to grow; the provision of infrastructure to support growth; and protecting natural systems and cultivating a culture of conservation. City Council’s planning decisions are required to conform, or not conflict, with the Growth Plan for the Greater Golden Horseshoe.

Staff will review the proposed development for consistency with the PPS and for conformity with the Growth Plan for the Greater Golden Horseshoe.

**Official Plan**

The subject site is shown as an 'Employment District' on the Urban Structure Map (Map 2) of the Official Plan. Section 2.2.4, Policy 2, of the Official Plan states that 'Employment Districts' will be enhanced to ensure they are attractive and function well, through actions such as permitting a broad array of economic activity that facilitates firms with functional linkages to locate in close proximity to one another, and investing in key infrastructure or facility investment through special tools, programs or partnerships in order to promote the distinctive character or specialized function of a District to attract firms within a particular targeted cluster of economic activity.

The Official Plan designates the property as 'Employment Areas' on Map 19, Land Use Plan which provides for uses such as office, manufacturing, warehousing, distribution, research and development facilities, utilities, media facilities, parks, hotels, retail outlets ancillary to the preceding uses, and restaurants and small-scale stores and services that serve area businesses and workers. Site and Area Specific Policy No. 104 is applicable to the subject lands. Site and Area Specific Policy No. 104 permits the following additional uses: business and trade schools,
libraries, fraternal organizations, long-term care facilities, recreational uses and places of worship.

**Zoning**
The subject lands are zoned Mixed Employment (ME) by the Employment Districts Zoning By-law No. 24982, as amended. Generally, permitted uses within the Mixed Employment Zone include: day nurseries, educational and training facility uses, financial institutions, offices, personal service shops, places of worship, recreational uses, restaurants and retail stores.

Exception No. 432 allows service shops as an additional permitted uses.

**Site Plan Control**
The subject lands are subject to site plan control and an application has been made.

**Tree Preservation**
The subject lands are generally flat and treeless, staff have received a tree declaration confirming that there are no trees on these lands.

**Reasons for the Application**
An amendment to the City's zoning by-law is required to permit the 29-bed respite/transitional care component to the proposal.

**COMMENTS**

**Application Submission**
The following reports/studies were submitted with the application: Planning Rational Report, Tree Declaration, Functional Servicing and Storm Water Management Report, Noise/Vibration Report, Geotechnical Assessment Report and a Phase I and limited Phase II Environmental Site Assessment Report.

The applicant has been advised that this submission is considered a complete application and a Notification of Complete Application was issued on July 3, 2012.

**Issues to be Resolved**
The lands subject to this application are located on the west side of Silver Star Boulevard, south of McNicol Avenue. This application proposes to amend the City's zoning by-law to permit a 4-storey building that will contain offices, retail stores, a 29 bed respite/transitional care including recreational uses.

**Official Plan**
Site and Area Specific Policy No. 104 permits long-term care facilities. Staff will review the proposal for compliance with policies of the Official Plan.
Land Use
The 29-bed respite/transitional care component of the applicants proposal is not permitted within the Mixed Employment Zone of Employment Districts Zoning By-law No. 24982, as amended. Staff will review the appropriateness of a 29-bed respite/transitional care use at this location. The remainder of uses proposed are permitted within the Mixed Employment Zone of the by-law.

Impact / Compatibility
During the review of this application, staff will examine the implications of introducing a sensitive use in this area and whether or not any negative impacts will result from the introduction of a 29-bed respite/transitional care use at this location.

Traffic
The applicant has submitted a traffic operations assessment. Staff will examine the proposed parking arrangement, vehicular flows including access and drop-off/pick-up points to ensure the site functions efficiently.

Urban Design
Through the site plan control process, staff will explore opportunities to improve upon the proposed north, west and east elevations. Staff will also examine areas for enhanced landscaping as well as appropriate screening around the transformer.

The Toronto Green Standard
The Toronto Green Standard (TGS) is a tool to implement the broader environmental policies of the Toronto Official Plan. The TGS Checklist has been submitted by the applicant and is currently under review by City staff for compliance with the Tier 1 performance measures.

Additional issues may be identified through the review of the application, agency comments and the community consultation process.
