Dear Councillor and Chair of Scarborough Community Council,

Councillor Moeser is requesting that the Public (Planning) Meeting for 38 Tideswell Boulevard, scheduled for February 14th SCC be deferred to the March SCC Meeting.

(SC13.26 - 38 Tideswell Boulevard - Common Elements Condominium Application - Final Report (Ward 44))

Due to on-going medical issues Councillor Moeser is unable to attend February Community Council.

Your support and understanding in this matter is greatly appreciated.

Best Regards,
Calum MacMillan
