SUMMARY

This supplementary report is to provide the Committee with the results of the neighbourhood survey, for reference during its deliberations, conducted to determine neighbourhood support for the proposal to construct a building addition in order to expand the restaurant within the Crawford Street flank of 894 Queen Street West.

At its meeting of November 2, 2011, the Toronto and East York Community Council deferred consideration of the report, TE11.15, Building Addition to Expand Restaurant – 894 Queen Street West, and directed the appropriate City staff to conduct an impartial survey of residents of all eligible households on Crawford Street, odd and even sides of the street, from Queen Street West to Dundas Street West, in order to determine support for this application, based on the majority of the ballots received from the survey conducted being in favour of the application.

The majority of surveys received were in favour of the proposal.

Financial Impact

There is no financial impact to the City as a result of this information report.

Survey Results

An impartial survey was conducted for 30 days, starting December 5, 2011. The area surveyed comprised Crawford Street, odd and even sides of the street, from Queen Street West to Dundas Street West, and included all residents and owners of all eligible households. The deadline for receiving the surveys was January 5, 2012. A copy of the survey is shown in Appendix 'B'.
