#### BACKGROUND

Toronto and East York Community Council at its meeting held on March 22, 2011 approved the pilot project for extended flankage patio hours for the Greektown on the Danforth BIA during the 2011 café season.

Municipal Licensing and Standards was requested to conduct regular monitoring of the cafes for any violations throughout the 2011 operating season and report back at the conclusion of the 2011 season, or at any time deemed necessary.

Site inspections conducted on the businesses approved for the pilot project revealed a breach of the extended flankage patio hours which resulted in charges being filed. (**Appendix 1**)

## **COMMENTS**

The sidewalk boulevard café locations were inspected over 2011 café season as required. As a result of the inspections, fifty (50) percent of the sidewalk boulevard cafes in the pilot project were in violation of the extended closing times.
