Re: New Business- Request to review the heritage status of the building at 625 Church Street under Part IV of the Ontario Heritage Act

The building at 625 Church Street has been identified for its potential historical significance in the community but is not currently on the Inventory of Heritage Properties. I am requesting City staff undertake a process to review the building for listing and potential designation under Part IV of the Ontario Heritage Act.

Recommendations:

- 1) Request the Acting Director, Policy and Research, to report on the possibility of inclusion on the inventory and potential designation of the building at 625 Church Street under Part IV of the Ontario Heritage Act.

Respectfully submitted,

Kristyn Wong-Tam
Councillor, Ward 27
