### **SUMMARY**

---

Transportation Services is requesting authority from City Council to amend the boundary of Permit Parking Area 9C.

Transportation Services has assessed the realignment of Permit Parking Area 9C to exclude the property located at 303 Kingston Road, as requested by Councillor Mary-Margaret McMahon. We are recommending approval of the realignment as it will not impact negatively on the Permit Parking Area.

### **RECOMMENDATIONS**

---

**Transportation Services recommends that:**

1. City Council authorize the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "9C", as attached in Appendix "A" of the report (May 17, 2012) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

### **FINANCIAL IMPACT**

There is no financial impact associated with this report.

## **ISSUE BACKGROUND**

Councillor Mary-Margaret McMahon, at the request of area residents, has requested that Transportation Services examine and report to Community Council regarding the realignment of Permit Parking Area 9C, and the exclusion of the property located at 303 Kingston Road.

## **COMMENTS**

Permit area 9C has a total of 4,292 on-street parking spaces. To date 3,704 permits have been issued to residents of this area. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. The Councillor supports this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

As required under the City of Toronto Municipal Code, Chapter 925, Permit Parking, the General Manager requested the City Clerk to provide Notice. A Public Notice was placed in a major newspaper requesting those objecting to the exclusion of 303 Kingston Road, from permit parking area 9C to forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

Transportation Services has no objection to the exclusion of 303 Kingston Road from permit parking area 9C.
