Application

Date: May 16, 2012

To: Chair and Committee Members of the Committee of Adjustment
Toronto and East York District

From: Director, Community Planning, Toronto and East York District

Wards: Ward 21, Toronto – St.Paul’s

Reference: File No. A0273/12TEY
Address: 15 Vesta Drive
Application to be heard: May 30, 2012

RECOMMENDATION

Planning Staff respectfully recommends that the Committee defer this application.

APPLICATION

The applicant is seeking relief from the provisions of the Zoning By-law to demolish the existing two-storey detached dwelling and to construct a new two-storey detached dwelling with a below-grade garage, front platform, a rear basement walkout, and a rear deck.

Variances for: maximum permitted gross floor area; minimum required side lot line setbacks beyond the building depth of 17.0m; maximum permitted height of an uncovered platform which projects into a required setback; and permission for a below-grade garage are requested in this application.

COMMENTS

Planning staff have reviewed the proposal and have concerns with the application.

The subject site is designed "Neighbourhoods" in the Official Plan, which requires new development to have regard for the existing physical characteristics of the surrounding neighbourhood. The purpose of the Zoning By-law is to maintain a stable built form and mitigate any negative impacts on adjacent properties.

The deferral would allow the applicant the opportunity to meet with staff to address the concerns of Community Planning.
