Front Yard Parking Appeal – 80 MacLean Avenue

Date: August 16, 2012
To: Toronto and East York Community Council
From: Manager, Right of Way Management, Transportation Services
Toronto and East York District
Wards: Beaches-East York – Ward 32

SUMMARY

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the owner of 80 MacLean Avenue for front yard parking. We do not recommend approval for front yard parking at this location because it does not meet the requirements of the City of Toronto Municipal Code Chapter 918. The owner will be given an opportunity to make a deputation before Community Council.

RECOMMENDATIONS

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for front yard parking at 80 MacLean Avenue.

Financial Impact
There is no financial impact to the City as a result of this report.

ISSUE BACKGROUND
The property owner of 80 MacLean Avenue, a single family semi-detached home with a mutual driveway, submitted an application for front yard parking at this location. The applicant was advised that the property was not eligible for front yard parking because it does not meet the regulations of the City of Toronto Municipal Code Chapter 918.
The applicant subsequently submitted an appeal requesting further consideration of this proposal.

The proposal for front yard parking is shown on Appendix 'A', the property data map is shown on Appendix 'B', digital photos of the property are shown on Appendix 'C' and the applicant’s landscape proposal is shown on Appendix 'D'.

COMMENTS

Applicable regulations
Front yard parking is governed by the criteria set out in the City of Toronto Municipal Code Chapter 918, Parking on Residential Front Yards and Boulevards. The relevant provisions include:

- prohibit front yard parking where permit parking is authorized on the same side of the street; and
- a minimum of 50% of the City boulevard fronting the property must be landscaped open space, of which 75% must be maintained as soft landscaping.

Reasons for not approving
The property does not meet the above noted criteria for the following reasons:

- permit parking is permitted on the same side of the street on an alternating basis; and
- the soft landscaping cannot be provided on the City boulevard.

Poll results
A poll was conducted in accordance with the City of Toronto Municipal Code Chapter 918-14. The area polled comprised both sides of MacLean Avenue from 69 to 95, on the odd side, and from 72 to 90, on the even side. The deadline for receiving the ballots was April 20, 2012.

| Total owners/tenants/residents polled | 39 | ------ |
| Returned by post office               | 1  | ------ |
| Total eligible voters (total polled minus returned by post office) | 38 | 100% |
| No reply                              | 14 | 37%   |
| **Total ballots received (response rate)** | **24** | **63%** |
| In favour of parking (of ballots received) | 24 | 100% |
| Opposed to parking (of ballots received) | 0  | 0%    |
| Spoiled ballots                       | 0  | 0%    |
The Code states that a poll will be considered valid when at least 25% of the ballots mailed out have been returned. This poll did meet the minimum response rate and therefore is valid. The result of the poll is in favour of this application as the majority of the ballots returned were in favour of this application.

**Other factors**

Permit parking on MacLean Avenue is authorized on an alternate side basis, within permit parking area 9D. There is one on street parking permit registered to this address.

Ramping is not required as there is an existing ramp to service the proposed parking, therefore, on street permit parking is not affected.

On this portion of MacLean Avenue, between Bonfield Avenue and Avion Avenue, there are two properties licensed for front yard parking.

There is a tree in the front yard at this location. A review of this application by Urban Forestry has determined that there is no suitable planting site for an additional tree at this location.

**Alternate recommendations**

While the property is not eligible for front yard parking because it does not meet the above noted requirements of the Municipal Code, the property does meet the other physical requirements of the Code, (i.e., setback).

Should Community Council decide to grant the appeal for front yard parking at 80 MacLean Avenue, it could recommend that:

1. the parking area not exceed 2.2 m by 5.3 m in dimension;
2. the applicant disconnect any downspouts, if feasible, or seek an exemption from Toronto Water in accordance with the requirements in Chapter 681-11(S);
3. the applicant provide the landscape features substantially in accordance with the plan as indicated in Appendix ‘D’, attached to the report dated August 16, 2012, from the Manager, Right of Way Management, Transportation Services, Toronto.
and East York District, to the satisfaction of the General Manager of Transportation Services;

4. the applicant pay for the planting of a full shade canopy tree on City property in the general area of the property, preferably on the same street, as per the requirements of the City of Toronto Municipal Code Chapter 918, Parking on Residential Front Yards and Boulevards; and

5. the applicant pay all applicable fees and comply with all other criteria set out in the City of Toronto Municipal Code Chapter 918, Parking on Residential Front Yards and Boulevards.
