COMMENTS

Naming of Bridge – Rod Robbie Bridge 1
The proposed name has been circulated for comment and is acceptable to Police Services, Fire Services, Emergency Medical Services, and the Toronto East York Preservation Panel.

The family of Mr. Robbie has provided written consent to the naming proposal, as required by City of Toronto Honourific and Street Naming Policy, adopted by City Council at its meeting of November 30 and December 1, 2011.

The proposal also complies with Section 6.2.6 of the policy which requires the endorsement of at least two community organizations. Broad support by many communities is indicated by the following sample of evidence:

a. the written support for the proposal by the Toronto Society of Architects;
b. the investiture of Mr. Robbie into the College of Fellows of the Royal Architectural Institute of Canada;
c. the appointment of Mr. Robbie as an Officer of the Order of Canada by the former Governor General.

Section 5.2.2 of the Policy states:

"Honourific names shall only be awarded posthumously to those individuals who have been deceased for at least two years, with exceptions to be approved by City Council."

Mr. Robbie passed away on January 4, 2012, and the proposal should not be approved because it is premature.
