SUMMARY

Transportation Services is requesting authority from City Council to amend the boundary of Permit Parking Area "3I".

Transportation Services has assessed the realignment of Permit Parking Area "3I" to exclude the property located at 998 College Street, as requested by Toronto and East York Community Council. We are recommending approval of the realignment as it will not negatively impact on the Permit Parking Area.

RECOMMENDATIONS

Transportation Services recommends that:

1. City Council authorize the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "3I", as attached in Appendix "A" of the report (September 20, 2012) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

FINANCIAL IMPACT

There is no financial impact associated with this report.

ISSUE BACKGROUND

Toronto and East York Community Council at its meeting September 11, 2012 in considering motion TE18.6, dated September 11, 2012 from Councillor Ana Bailao, requested that Transportation Services initiate any necessary process under Chapter 925, Permit Parking to incorporate a revised map of Permit Parking Area "3I" to exclude the property at 998 College Street.

COMMENTS

Permit area 3I is bounded by Dufferin Street, Bloor Street West, Ossington Avenue and College Street. Permit area 3I has a total of 841 on-street parking spaces. To date 574 permits have been issued to residents of this area. The area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service provided on College Street. The Councillor and residents support this action as a means of ensuring this new development does not negatively impact the Permit Parking supply to the existing neighbourhood.

As required under the City of Toronto Municipal Code, Chapter 925, Permit Parking, the General Manager requested the City Clerk to provide Notice. A Public Notice was placed in a major newspaper requesting those objecting to the exclusion of 998 College Street, from permit parking area "3I" to forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting. The City Clerk's office has confirmed that no objections have been received.

Transportation Services has no objection to the exclusion of 998 College Street from permit parking area "3I".
