**APPLICATION FOR EXTENSION OF HOURS TO SERVE ALCOHOL
COMMUNITY COUNCIL MEETING NOVEMBER 6, 2012**

In support of our application to the Alcohol and Gaming Commission of Ontario ("AGCO") for an extension of our hours to serve alcohol during the 100 Grey Cup Festival we have been advised that we are to provide the AGCO with confirmation that this has been deemed an event of Municipal Significance by the Clerk of the City of Toronto and confirming the City's agreement to the AGCO to allow the extension of service of alcohol by our two above-captioned restaurants.

As such, we would ask that at the next meeting of the Community Council which I understand is to be held on November 6, 2012 you consider our request to deem this an event of Municipal Significance thereby supporting our application to the AGCO and allowing both of our restaurants to extend their hours of liquor service. I am providing you with the following required information to assist in your decision process :
