Subject: Presentation – Action for Seniors Charrette Report

Dear Committee Members:

I am pleased to advise you that the Performing Arts Lodge (PAL) will be making a presentation to the Affordable Housing Committee at its meeting on October 29, 2013 on the challenges facing seniors in living independently in downtown Toronto and the supports they require.

PAL, in partnership with the Affordable Housing Office (AHO) held a Charrette last March to gather information on the needs of seniors and to suggest actions for change. The results are outlined in the *Action for Seniors Charrette Report*. In conjunction with this presentation, I will provide a brief update on AHO actions on recommendations in the City's Seniors Strategy adopted earlier this year.

Sincerely,

Sean Gadon
Director, Affordable Housing Office
