DECISION HISTORY

Annually, members of individual BIAs approve their budget at their respective Annual General Meeting and submit it to City Council for approval. For financial reporting purposes, BIAs are classified as Other Government Organizations and are included in the City's consolidated financial statements.

In accordance with Chapter 19 of the City of Toronto Municipal Code, each BIA Board is required to approve and submit its audited financial statements annually to City Council for approval.

ISSUE BACKGROUND

The forty-three (43) audited financial statements and management letters attached to this report have been approved by the respective Board of Management of the BIA. The 2012 audited financial statements and management letters for twenty-nine (29) other BIAs are in the process of being prepared, audited or awaiting approval of the respective Board and are expected to be presented at the next Audit Committee meeting.

Historic Queen East BIA, failed to timely approve operating budgets for 2009, 2010, 2011 and 2012 and accordingly it did not incur any actual revenue or expenditures for presentation.
