Dear Colleagues,

RE: AU 12.12

I am unable to attend Audit Committee today due to illness, but wanted to take the opportunity to recognize Neil Evans and his staff at 311 Toronto for their performance as outlined in the Auditor General's follow-up report.

Under Neil's leadership nine of the twelve recommendations from the 2011 Audit report have been fully implemented with the remaining three being partially implemented.

Thank you for your good work and continued service to Toronto.

Sincerely,

Vincent Crisanti
Councillor
