#### SUMMARY

---

The purpose of this report is to advise that the General Manager, Transportation Services, will be reporting to the March 21, 2013 Council meeting on the results of our consideration of alternatives to the removal of the lay-by on the west side of Bay Street, just south of Yorkville Avenue. This report was requested by City Council at its meeting of February 20 and 21, 2013 when considering Item 21.58 entitled "Road Alteration - Bay Street, between Davenport Road and Bloor Street West".

#### RECOMMENDATION

**Transportation Services recommends that:**

1. City Council consider a report from the General Manager, Transportation Services, at its March 21, 2013 meeting on the recommended action to be taken with respect to the lay-by on Bay Street, just south of Yorkville Avenue.

#### DECISION HISTORY

City Council at its meeting on February 20 and 21, 2013, adopted Item No. TE21.58 with an amendment referring the proposed road and sidewalk alteration on the west side of Bay Street, just south of Yorkville Avenue, to the General Manager, Transportation Services, with a request that the General Manager, Transportation Services give consideration of alternative design solutions in consultation with the affected stakeholders and report back directly to the City Council meeting of March 21, 2013 on the results of this review and consultation.

## **COMMENTS**

Discussions are currently underway with Councillor Wong Tam, Pusateri's, and the property owner on potential design solutions regarding the lay-by on the west side of Bay Street, just south of Yorkville Avenue. The General Manager will report to City Council on the outcome of these discussions.
