Origin

(January 24, 2013) Report from the Director, Transportation Services - Etobicoke York District

Summary

The purpose of this report is to obtain approval to amend the current parking regulations on Jane Street and on Annette Street in the Baby Point Gates BIA area. Amendments on Jane Street, between Hanley Street and Lessard Avenue, and on Annette Street, between Jane Street and Windermere Avenue, are required to allow for a maximum "Two Hour Parking" duration, an increase from the existing maximum of "One Hour Parking". In addition, we are recommending amendments to the parking restrictions on the east side of Jane Street through the BIA area to allow parking from "4:00 p.m. to 6:00 p.m., Monday to Friday".

The proposed parking amendments will provide residents and customers greater access, convenience and parking uniformity in the Baby Point Gates Business Area. As the Toronto Transit Commission (TTC) operates transit service on these streets, City Council approval of this report is required.
