DECISION HISTORY

At its April 15-16, 2013 meeting regarding this matter, the Executive Committee added four Additional Conditions upon which the City would consent to support the establishment of a new casino gaming site in the Toronto OLG C1 zone. The two additional conditions that are the subject of this Report would require:

46. The casino operator will commit to signing a labour peace agreement with its employees, and organizations representing them, that will ensure that convention and gaming operations are not affected by labour disruptions.
47. The casino operator will commit to a Toronto residents-first local hiring policy and agree to incorporate gender equity and other diversity principles into its human resources practices, including rehabilitated gamblers that can be integrated in gainful employment with the complex, excluding the casino portion.
