Re: Road Alteration – Bay Street, South of Yorkville Avenue

As you may know, LEA Consulting Ltd. has been retained by Pusateri's Fine Foods to review the issues with respect to the lay-by on Bay Street. We understand that a decision on the lay-by does not have to be made until the July council date in order to meet the City's construction schedule for Bay Street. As a result, we would request that any decision by council be deferred until the May council date, so that we may have sufficient time to review the situation and look at potential options.

Should you have any questions or concerns, please feel free to contact me at (905) 470-0015 ext. 234.

Yours very truly

LEA Consulting Ltd.
