Dear Sirs/Mesdames:

**Re: Official Plan Five Year Review: Official Plan Amendment to Adopt new Heritage and Public Realm Policies
Item No. PG22.3 – Proposed Official Plan Amendment 199 (“OPA 199”)**

We are solicitors for the owners of the properties known municipally as 2521-2543 Lake Shore Boulevard West in the City of Toronto (the “Subject Properties”).

Our client has participated in the Mimico 20/20 Revitalization Study on the understanding that the resulting Secondary Plan and any future rezoning applications would be based on the current official plan policies, including the heritage policies. Further, our client filed an official plan amendment application in respect of the Subject Properties on April 13, 2011 (11 173938 WET 06 OZ), after extensive participation in the Mimico 20/20 process, and has continued to work in good faith with City staff.

In the absence of appropriate transition provisions being included in OPA 199, our client is concerned that the planning process in respect of the Subject Properties could be significantly prejudiced. We would respectfully request that the Subject Properties be excluded from the application of OPA 199. However, if the Subject Properties are not excluded, we would respectfully request that appropriate transition policies be included in OPA 199 to grandfather sites, such as the Subject Properties.

This letter should also serve as our client's formal request for notice of any decision by City Council regarding OPA 199, which can be provided to the undersigned.

Yours very truly,

Goodmans LLP
