Re: Proposed New Comprehensive Zoning By-law ("New By-law")

We are the solicitors for 2299100 Ontario Limited. Our client is the owner of property known municipally as 64 and 70 Cordova Avenue and on which an application for zoning by-law amendment has been filed.

Based on our review of the New By-law, it appears that the above property is in a "hole" i.e. the zoning in place prior to the approval of the New By-law would continue to apply. Generally speaking, it is our client's submission that the zoning applicable to the above-referenced property should be amended to reflect the permissions and provisions contemplated by its application. It would further object to any amendments to the New By-law which would serve to derogate from the permissions contemplated by either the existing zoning or official plan provisions as such relate to this property.

Please note that our client could only accept the placement of its property in a "hole" provided that a protocol to co-ordinate such treatment with the consideration/approval of its application is adequately secured.

We would be pleased to discuss the foregoing. Please provide us with notice of Council's decision in this matter or of any future consideration by Council Community, Council, or any Committee.

Thank you for your attention in this regard.

Yours very truly,

McCarthy Tétrault LLP
