CITY CLERK'S OFFICE  
SECRETARIAT SECTION

2013 MAR 27 A 9:47

**Mayor Rob Ford and Members of Council**

I am writing on behalf of the Beach Triangle Residents Association concerning the proposed new city wide Zoning By-law.

We support the concerns raised by CORRA. We do not want any of the hard fought wins by resident groups watered down.

We also support the inclusion of elements of the Beaches Urban Design Guidelines into the new Zoning By-law to avoid any future conflict between the two.

Hans Looije
