CITY CLERK'S OFFICE  
SECRETARIAT SECTION

Dear Mayor Ford and Members of City Council:

You have on your agenda for the 14 June 2013 meeting a recommendation from the 14 North York Community Council meeting in response to Councillor John Parker's Request regarding a City- funded Leaside area-wide traffic study. This study, as proposed, would include a geographic area which includes Leslie Street and Overlea Boulevard (Thornccliffe Park). North York Community Council has recommended that the City consider issuing a request for RFPs to undertake this study.

We wish to assure City Council that, should you and City Council proceed with this, The LPOA will be glad to play a positive and cooperative role.

Yours sincerely

Carol Burtin Fripp,  
Vice President LPOA  
and  
Chair, LPOA Traffic and Transportation Committee
