Dear Council Members,

The Gardiner Museum would like to request the support of the Toronto and East York Community Council to provide a non-objection for an event on September 6, 2013.

As part of our Artist Intervention Series, the Gardiner Museum has invited architect, artist, and University of Toronto professor An Te Liu to create work in response to our permanent collection. The Museum will be hosting an opening event for the exhibition on Friday, September 6, 2013 from 6 – 10 pm. The event will take place at the Museum located at 111 Queen's Park in our lobby and on the front steps.

Our managing caterer is licensed to serve alcohol in the building; however, we do not have a permit to serve alcohol on the front steps. We have requested a permit for this space from AGCO for this very special event, and advised them that the Museum has requested a non-objection from Council.

I hope you look favourably upon our request, and we look forward to sharing this milestone with Council and our fellow residents.

Yours truly,

Lauren Gould
