Re: NY28.23 - Naming of a Proposed Public Street located south of George Henry Boulevard and extending easterly from Don Mills Road to Forest Manor Road (Ward 33)

Dear Mayor, Deputy Mayor, and Members of Council

This is to advise that the North York Community Preservation Panel does not support naming this public street as "Helen Lu Road" as recommended by the North York Community Council. The September 25, 2013 Staff Report on this item, which states that the Panel supports the name, is incorrect. We would prefer that the street be given the name of an early settler of the area or a name which recognizes the history and heritage of the community.

Sincerely,

Geoff Kettel
