Empire Communities Etobicoke York item EY 29.5 Item

December 16, 2013

Dear Mayor Ford, Councilors and Mr. Lintern,

I am Jim Reekie President of the Humber Bay Shores Condominium Association, comprised of over 20 condominium corporations and 15,000 residents. The above item has been held by the Mayor and we wish to reiterate our communities strong support for the motion before you as approved by Community Council. We strongly urge you and council to pass the motion and allow the hard work carried by our group regarding the proposal to proceed forward. We believe not doing so will result in a unnecessary OMB hearing and more importantly would ignore the wishes of a large group of local residents.

Your truly

Jim Reekie

President HBSCA
