Subject: Concerning EX36.3 HONOURIFIC AND STREET NAMING POLICY AMENDMENTS to the Municipal Code and Bill 1754.

December 16, 2013

Attention: Ms. Marilyn Toft, Council Secretary

Dear Members of Council,

On behalf of the Ossington Community Association, I am writing to support CORRA's request for a deferral on this motion, to allow all residents and ratepayers more time to review the proposed changes. The naming of streets is an important community activity, and the 5 days notice for this motion is insufficient for purposes of proper assessment of a motion that affects all wards in the City.

Sincerely yours,

Jessica Wilson
President, Ossington Community Association
