Toronto Parks, Forestry and Recreation is developing a Youth Engagement Strategy that will inform the development of a youth recreation plan.

Parks, Forestry and Recreation is reviewing its existing programs and services, obtaining feedback from youth, partners and stakeholders, and assessing the need for additional youth spaces and drop-ins.

The engagement strategy will be included in a report to City Council in Fall 2013. Feedback from this survey will:
   a) capture youth serving organization/agency perspectives of recreation
   b) help to develop the youth engagement strategy.

Survey responses will be accepted between August 14 and August 28, 2013.

Your participation in the survey is completely voluntary. All responses are anonymous and will be kept confidential. To access the survey, please visit the Toronto, Parks, Forestry and Recreation website at: http://www.toronto.ca/parks/.

If you have any questions about the survey OR if you are interested in organizing a focus group, please contact Jorge Kanesh at (416)396-5108 / jkanesh@toronto.ca.
