ISSUE BACKGROUND
Transportation Services received a request from residents attending a public meeting, hosted by the Ward 17 Councillor, to prohibit the parking and standing of vehicles between 8:00 a.m. and 5:00 p.m., Monday to Friday on the west side of Alentejo Street from Turnberry Avenue to Estoril Terrace. The intention of this request is to deter long duration parking generated by area businesses. The City wide unposted 3 hour maximum parking limit will remain at all other times. A map of the area is Attachment 1.
COMMENTS
Alentejo Street is a 7.9 metre two-way local road located in a residential area west of Old Weston Road, south of Rogers Road. The speed limit on the street is 40 km/h and sidewalks exist on both sides of the street. There is an existing "No Parking Anytime" regulation on the east side of the street.

Transportation Services reviewed the request to prohibit weekday parking on the west side of Alentejo Street from Turnberry Avenue to Estoril Terrace and can support the request. Our observations reveal that parking is occurring during the day on this section of the road and that some of the parked vehicles do not have license plates. These observations support residents' claim that these vehicles are generated by the area businesses.

Specifically requested was to enact a "No Standing, 8:00 a.m. to 5:00 p.m., Monday to Friday" regulation on the west side of Alentejo Street from Turnberry Avenue to Estoril Terrace. The city wide three hour parking limit will apply from 5:00 p.m. to 8:00 a.m. the next day and on weekends.

The recommendation to amend the existing regulations and enact a "No Standing, 8:00 a.m. to 5:00 p.m., Monday to Friday" regulation on the west side of Alentejo Street from Turnberry Avenue to Estoril Terrace will continue to allow parking in the evening and on weekends, but will deter daytime parking on the street.
