### **ISSUE BACKGROUND**

Transportation Services and the Ward Councillor received a request from 1369 St. Clair Avenue West (Joseph J. Piccininni Community Centre) to remove the existing "No Parking Anytime" prohibition fronting the community centre to add free parking for visitors to the building. A map of the area is Attachment 1.

### **COMMENTS**

This portion of St. Clair Avenue West is a major arterial road located east of Caledonia Park Road/Caledonia Road and west of Lansdowne Avenue. The legal speed limit on this road is 50 km/h. There is a sidewalk on both sides of the roadway. Currently, fronting the community centre, a “No Parking Anytime” prohibition exists from a point 72 metres west of Lansdowne Avenue to a point 50 metres further west. Additionally, a “No Stopping, 7:00 a.m. to 9:00 a.m., Monday to Friday, except for Public Holidays” regulation exists on the south side of St. Clair Avenue West from a point 30.5 metres east of Caledonia Park Road to a point 72 metres west of Lansdowne Avenue. The City wide three hour maximum applies to all other times in this area. The TTC operates a transit service on St. Clair Avenue West.

The Joseph J. Piccininni Community Centre and the Ward Councillor have indicated their support and staff recommends that the "No Parking Anytime" prohibition be removed from the south side of St. Clair Avenue West fronting the community centre (1369 St. Clair Avenue West) and replaced with City wide three hour maximum parking limit.

The removal of the prohibition will have no adverse affects on traffic operations as two-way traffic flow will be maintained on the street and this will provide overflow on-street parking to a maximum of three hours for visitors to the adjacent buildings. This proposal will be an extension of the existing three hour limit that is already posted in front of 1369 St. Clair Avenue West.
