ISSUE BACKGROUND
Councillor Di Giorgio submitted a request, in response to a petition he received from area residents, to remove the on-street parking permits on the south side of Yore Road, between Glenhaven Street and the east limit of the road, and replace it with a 'No Parking Anytime' prohibition.

A map of the area is Attachment 1.

COMMENTS
Yore Road, between Richardson Avenue and the east limit of the roadway is classified as a two-way local residential road. This section of Yore Road has a pavement width of 8.5m.

Permit parking is authorised on the south side of Yore Road between Keele Street and the east limit of the street. As of March 5, 2013, there was one permit issued from the 36 available on-street parking permit stalls. A 'No Parking Anytime' restriction exists on the north side of Yore Road, between Keele Street and the east limit of the street.

Removing the on-street permit parking regulation results in a loss of 17 on-street parking stalls on Yore Road between Richardson Avenue and the east limit of the street; however, the current permit holder can still park on Yore Road, between Keele Street and Richardson Avenue.

Transportation Services, Etobicoke York District Traffic Operations, has been notified of this request and has no objection to these proposed changes.

Chapter 925-5(S) of the City of Toronto Municipal Code requires that we notify residents of any proposal to reduce or change on-street permit parking privileges. Accordingly, notice of this proposal has been posted on the City's website.
