**SUMMARY**

This staff report is about a matter that the Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws. The subject matter is the refusal of an application to vend on City property.

**RECOMMENDATIONS**

Municipal Licensing and Standards (MLS), North York District, recommends that:

1. The Etobicoke York Community Council (EYCC) refuse the request to permit a boulevard vending permit on the northwest corner of Wilson Avenue and Jane Street.

**FINANCIAL IMPACT**

There is no financial impact anticipated in this report

**DECISION HISTORY**

An application was received for a boulevard vending permit to sell hot dogs, sausages and cold drinks. The application was circulated to the Transportation Division, the local Councillor and adjacent businesses that sell similar foods. The application was refused based on an objection received. The applicant subsequently applied for an opportunity to speak to EYCC.

**ISSUE BACKGROUND**

The proposed vending permit location is in the former City of North York on the northwest corner of Wilson Avenue and Jane Street (Attachments 1, 5, 6, 7 and 8). The
former City of North York bylaw 32100 has not been harmonized and it applies to the issuance or refusal of vending permits in the former City of North York.

When an application is received, the Commissioner shall notify businesses within 25 metres of the proposed location for the designated area and which vend similar products as those set out in the application for permit, of the details of the application and request comments pursuant to section 3(4)(a)(iv). When an application is refused (Attachment 3) the applicant may give notice in writing that they desire Council to consider the application and Council may direct the Commissioner to approve the permit for issuance pursuant to section 4(2).

MLS received one objection (Attachment 2) from the circulation of the application from the adjacent business on the northwest corner of Wilson Avenue and Jane Street, municipal address 1570 Wilson Avenue, operating as "Coffee Time", Licence No. B71-4202315, licence expires November 22, 2013. Based on this objection the boulevard vending permit was refused by MLS. The applicant applied in writing to MLS requesting a report to EYCC (Attachments 4).

COMMENTS

The local Councillor, Transportation Division and the Forestry Division had no objection to this application for a boulevard vending permit.
