Re: Cordella Avenue, between Weston Road and Louvain Street - Introduction of On-street Parking Permits

SUMMARY:

At a public meeting held at Beech Hall on Wednesday, May 22, 2013, the residents of Cordella Avenue, between Weston Road and Louvain Street, submitted a request to have City staff conduct a poll to determine if the residents of Cordella Avenue support the introduction of on-street parking permits on their street.

An earlier poll conducted in February, 2012, did not favour the addition of on-street parking; however the residents have asserted that the poll was not accurate because outdated residential information may have been used. Under the terms of Chapter 925 of the Municipal Code, another poll cannot be conducted until March, 2014, which is two years after closing of the original poll.

RECOMMENDATIONS:

Etobicoke York Community Council direct:

1. The City Clerk's Department to conduct a second poll of the residents of Cordella Avenue, between Weston Road, and Louvain Street.
2. That the poll be completed prior to October 17, 2013 for the implementation of permit parking.
