Subject: RE: Letter of Municipal resolution or Municipal significance

Hello and thank you for your quick reply to my inquiry. My name is Victoria Hoyte-Gaynor, I am a recent graduate from Mississauga Culinary Arts School of Ontario and I am starting my own catering business. To introduce myself and my business to the community I am hosting a public event on June 8, 2013 from 5PM to 12AM in Etobicoke at 3338 Lakeshore Blvd W. In order to cover some of my expenses I would like to be able to sell the alcoholic beverages for a profit. According to AGCO I need municipal resolution to obtain the special occasions permit which allows me to sell alcohol for profit. I am smart serve trained and all staff serving alcohol will be as well. I have also hired trained personnel for security purposes to oversee the responsible service and consumption of alcohol at the event. I sincerely hope you will see fit to support me in this endeavor. I would also like to take this opportunity to invite you and the council members to attend this event. Tickets are \$65 each and they entitle you to the passed hors d'oeuvres, a six course gourmet meal, a full evening of various live entertainment and some free giveaways. Chef Victoria's Gala Debut will be a grand event to remember. I look forward to hearing from you and hope to see you at the event.

Sincerely
Chef Victoria Hoyte-Gaynor
