April 8, 2013

To: EYCC Members,

Our Mimico by-the-Lake Business Improvement Association supports Councillor Grimes in his decision to defer acceptance of the Mimico-by-the-Lake Secondary Plan.

We understand that the Plan does include effective policies and guidelines. At the same time however, further work is needed to address some key issues that we believe, hinder the Plan's objective to provide a framework for true revitalization.

We ask Council to consider our support for additional efforts around the Mimico-by-the-Lake Secondary Plan, as per Councillor Grimes' upcoming Motion to be submitted to Etobicoke York Community Council on April 9, 2013.

The Mimico-by-the-Lake Business Improvement Association supports the essence of the Amendment to the Official Plan including the new Secondary Plan for the Mimico-by-the-Lake community (Application No. 07 103514 STE 30 TM). We feel that Councillor Grimes needs some additional time to deal with issues that may hinder the implementation of the Plan.

Regards,

A handwritten signature in black ink, appearing to read "Dr. Henderson", with a long horizontal flourish extending to the right.

Dr. Maureen Henderson  
Chair, Mimico by-the-Lake Business Improvement Association

cc. Councillor Mark Grimes
