We are sending you this notification letter in accordance with the rules of the Alcohol and Gaming Commission of Ontario.

Mimico Cruising Club is holding its annual
Lobster Dinner Event on Saturday June 1, 2013 from 3pm to 11pm
Sailpast Event on Saturday June 15, 2013 from 3pm to 11pm
for 160 of our members and guests.

We are applying for a temporary extension of our present liquor licence as we require more space to seat everyone. We are erecting a 20' x 40' canopy adjacent to our present licensed area.

We trust that you would have no objection to the issuance of a temporary extension of our permit.

Would you please send a letter to the appropriate party at the Alcohol & Gaming Commission at 90 Sheppard Avenue East, Suite 200, Toronto, Ontario M2N 0A4 showing that you would have no objection to the issuance of a temporary extension of our permit.

Your cooperation is appreciated

Yours truly

John Pereira
