Re: Da House of Jerk

Dear Sir/Madam,

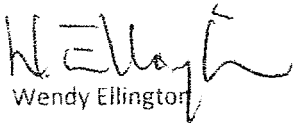

Da House of Jerk will be hosting there annual customer appreciation event beginning at 1:00pm on Sunday July 28th to 2:00am on Monday July 29th, 2013 at 680 Rexdale Blvd units 19 - 20 in Etobicoke. This is an outdoor event and my intention is to apply for an extended patio permit from the OLG to utilise two 10 x 10 space of the rear parking lot located behind the unit for erecting tents, one for the purpose of food preparation & the other for the consumption of alcohol.

I am required to present a letter from the Municipal Clerk stating that there is "No Objection" to the proposed extended licensed area and would like to request such letter from your office.

I would appreciate it if you would consider granting me this letter of "No objection" for my event.

Thank you for your time and consideration in this matter. If you have any questions or concerns, please feel free to contact me.

Sincerely

Wendy Ellington
