RE: Outdoor Liquor License Application – 1474 St. Clair Avenue West – Glamour Bar

Further to City Council decision on July 16, 17, 18 and 19, 2003 to refer Item EY25.50 back to the Etobicoke York Community Council for further consideration, I would like to provide this update.

A formal meeting took place with the TPS 13 Division, the owner and agent of the Glamour Bar, and the local City Councillor to discuss any community concerns related to the operation of the outdoor patio.

Therefore, as the local City Councillor, I do not object to the issuance of a conditional liquor licence to address issues noted in Recommendation #3.
