Summary

On the afternoon of March 7, 2013, five year old Kayleigh Callaghan-Belanger, a kindergarten student at Cliffside Public School, died in a tragic accident involving a City of Toronto solid waste collection vehicle in the vicinity of Cliffside Drive and East Haven Drive in Ward 36.

In light of this accident, a review of all policies, equipment, training requirements and routing should be conducted as soon as possible in order to reduce the risk of this type of tragedy from occurring again.
