Summary
2362775 Ontario Inc. has submitted an application for a new liquor licence to the Alcohol and Gaming Commission of Ontario (“AGCO”) for a premises at 2520 Jane Street operating under the name Long Island Bar and Grill (the “Premises”). The applicant is seeking a liquor licence for an indoor capacity of 84 patrons.
There has been a history of disciplinary and other problems with previous establishments located at the Premises. The Premises is also located in close proximity to residential properties. There is concern in the community that this new establishment will cause noise and other disturbances to residents in the area and that the rowdiness, loitering, fighting and intoxicated patrons that resulted from the previous establishments at this location will become a problem again. If conditions are put in place, these concerns may be mitigated. As such, this application for a liquor licence is not in the public interest unless certain conditions, addressing the concerns of the community, are attached to the licence.
