Summary

Section 37 funds have been secured and received in connection with the development at 90-100 Broadview Avenue for Public Realm improvements in the Riverside District BIA.

The City has a long-standing partnership with the Riverside District BIA in the development and maintenance of streetscape improvements in the Riverside neighbourhood

The BIA is proposing a lighting beautification of the DVP/Queen Street Bridge. However, there is currently no funding included in the 2013 Capital Budget for Economic Development and Culture for this project.

The beautification and lighting of the bridge will enhance the attractiveness of this iconic bridge in time for the Pan-Am Games.
