*\* Notice of this Motion has been given.*

*\* This Motion is subject to referral to the Executive Committee. A two thirds vote is required to waive referral.*

**Recommendations**

Councillor Kristyn Wong-Tam, seconded by Councillor Pam McConnell, recommends that:

1. City Council increase the approved 2013 Capital Budget for Economic Development and Culture by \$20,000.00 gross, \$0 net, fully funded by Section 37 community benefits from the development at 77 Charles Street West, (source account: XR3026-3700381), for the supply and installation of decorative pole wraps on existing Hydro poles for the Church Wellesley Business Improvement Area.

**Summary**

The City has a long-standing partnership with the Church Wellesley Business Improvement Area (BIA). The BIA is proposing to supply and install decorative pole wraps on existing Hydro poles at an estimated cost of \$20,000 as a streetscape improvement for the World Pride Event in 2014. However, there is currently no funding included in the 2013 Capital Budget for Economic Development and Culture for this project.

The supply and installation of decorative pole wraps on existing Hydro poles will enhance the streetscape of the BIA for the World Pride Event in 2014.

The funds were secured as part of a \$100,000 cash contribution in the development at 77 Charles Street West for the purpose of area streetscape improvements, and have been received by the City.

(Submitted to City Council on July 16 and 17, 2013 as MM37.36)
